General privacy declaration

Felipe Hiroshi Watanabe Desenvolvimento de Software LTDA — CNPJ 59.474.541/0001-02

Data controller

TCI Engenharia & Automação is the trading name of Felipe Hiroshi Watanabe Desenvolvimento de Software LTDA, Brazilian registration (CNPJ) 59.474.541/0001-02. Privacy contact: engenharia.tcipro@gmail.com.

Data and purpose

The website has no account or automatic message submission. Emails sent through your own email application are used to respond to inquiries and maintain communications. Local browser storage records privacy preferences. No advertising or behavioral analytics tools are integrated. Simulations run locally.

Hosting and rights

Infrastructure services may process technical access logs, including IP addresses, timestamps and requests, for website security and availability. Email services process data needed to respond to inquiries. Any international data transfers must comply with applicable law. To exercise applicable rights under Brazilian LGPD, contact our privacy email. Data retention is limited to the relevant purpose and legal obligations.
